

THE NEW LAW PROXY THE THIRD SECTOR

He was voted 25 May 2016 definitively the House the bill Delegation to the Government for the reform of the third sector, social enterprise and for the discipline of universal community service. The main positive aspects are:

- the attempt to overcome the inherent fragmentation of the third sector through the reorganization and organic revision of several existing disciplines in one of the third sector code, the establishment of a single national register;
- necessary step to contribute to the transparency of this world;
- revision of the tax relief measures, the reorganization in the field of civil service, the choice of a single headquarters of institutional representation as the National Council, provided they receive the involvement of representative organizations of the third sector. Another aspect of appreciation is that government policies, promotion and address are held by the Council of Ministers.

The Delegation to the Government for the reform of the third sector, social enterprise and for the discipline of the universal civil service consists of 12 articles.

Article 1 - Purpose and object
